Klotz Pledges to De-Fund ObamaCare

Charlottesville, VA – Today DeFundIt.org is proud to announce Garry Klotz, Republican candidate for Kansas' 3rd Congressional District, has signed our pledge to de-fund ObamaCare. Over 130 candidates have signed the pledge, including Nevada Senate candidate Sharron Angle, Arizona Senate candidate JD Hayworth, and twelve NRCC "Young Guns". Chairman Alex Cortes, speaking on Garry Klotz' pledge said:

"By signing our pledge, Klotz has taken a leadership position in calling for the de-funding of ObamaCare as the first necessary step to fully repealing and replacing this unconstitutional, job-killing, fiscal train wreck. Americans and Kansans would have a friend in Congress with a principled community leader like Klotz."
